A FAIRY TALE IN NEW YORK

Twinkly lights, clusters of trees and twisted willow will set the scene this Christmas. The enchanted setting is inspired by the beautiful trees in Central Park during the winter, and coupled with a backdrop of the New York skyline, Twickenham will be a truly magical venue to celebrate your Christmas party.

Both private and shared Christmas parties are available to book and each package includes a dedicated event manager to make planning your party that little bit easier.
